I hereby certify as manufacturer, that this product corresponds to the operative regulation of the European Union.

Ingredients: colour (titanium dioxide E171).

Characteristics: White, fine powder. Odorless. Miscible in water. The powder is completely additive-free so that it will clump heavily without affecting its quality.

Storage: protected from light

Contains no genetically modified material or allergens.

Expiry date: 5 years from production.

The product was manufactured in a food producing factory that runs a properly established system corresponding to the 852/2004/EK decree for food hygiene of the European Parliament and Council.

Ration assistance: the product contains 0% colouring agent.

Product warnings:

The product contains titanium dioxide E171, so according to Commission Regulation (EU) 2022/63, Regulation II of the European Parliament and Council Regulation 1333/2008/EC. and III. as a supplement to its annex, after August 7, 2022, it cannot be used for the production of food.

Csomor, 05.08.2022.
