Brand name: Fractal Colors	26/A/1. Erekel Ferenc utca, Csomor, 2141, Hungary
Tariff number: 32061100	Made in Hungary

I hereby certify as manufacturer, that this product corresponds to the operative food safety regulation of the European Union.

Food colouring agents and additives used in this product correspond to the 1333/2008/EK directives about food additives of the European Parliament and European Council.

Ingredients: colour (titanium dioxide E171, brilliant black BN E151, carmoisine E122*), anti-caking agent (silicon dioxide E551).

Characteristics: Light lilac, fine dust textured colouring powder. Scentless, tasteless. Soluble in oil and fat. A slight clumping can occur which has no influence on the quality. Light can affect colour intensity but not quality.

Storage: away from light.

Contains no genetically modified material or allergens.

Expiry date: 5 years from production.

Suitable for vegetarians and vegans. Gluten free. HALAL-certified product.

The product was manufactured in a food producing factory that runs a properly established system corresponding to the 852/2004/EK decree for food hygiene of the European Parliament and Council.

The product is destined to produce foodstuff, not meant for direct consumption.

Usage has to comply with the prescriptions Nr. 1333/2008/EK of the European Parliament and Council, along with the strict observance of specified limits.

According to Regulation (EU) No 1169/2011 of the European Parliament and of the Council on the provision of food information to consumers, a product is considered to be a food additive and thus exempt from nutrition labeling.

If using it, on the packaging of the finished good the following caution must be marked:

***May have an adverse effect on activity and attention in children.**

Ration assistance: the product contains 9,09% colouring agent .

Csomor, 17.11.2020.
