I hereby certify as manufacturer, that this product corresponds to the operative food safety regulation of the European Union.

Food colouring agents and additives used in this product correspond to the 1333/2008/EK directives about food additives of the European Parliament and European Council.

Ingredients:	aroma (maltodextrin, flavouring substances, gum arabic E414, propylene glycol E1520). Parliamentary Act 2000/13/EC and its Annex III, the word 'flavor', which is a single ingredient, is sufficient on the label instead of specifying the exact chemical additives..
Characteristics:	White, fine dust textured artificial aroma powder. It smells and tastes like toffee. Soluble in water, oil and fat. A slight clumping can occur which has no influence on the quality.
Storage:	protected from light.

Contains no genetically modified material. Contains no genetically modified material or allergens.

Expiry date: 2 years from production.

Suitable for vegetarians and vegans. Gluten free. HALAL-certified product.

It does not contain ingredients, but may contact the product at a plant or production line with the following allergens:
Gluten, fish, milk (including lactose), celery, cocoa, glutamate (E620-625), coriander, corn.

The product was manufactured in a food producing factory that runs a properly established system corresponding to the 852/2004/EK decree for food hygiene of the European Parliament and Council.

The product is destined to produce foodstuff, not meant for direct consumption.
Usage has to comply with the prescriptions Nr. 1333/2008/EK of the European Parliament and Council, along with the strict observance of specified limits.

According to Regulation (EU) No 1169/2011 of the European Parliament and of the Council on the provision of food information to consumers, a product is considered to be a food additive and thus exempt from nutrition labeling.
