I hereby certify as manufacturer, that this product corresponds to the operative food safety regulation of the European Union.

Food colouring agents and additives used in this product correspond to the 1333/2008/EK directives about food additives of the European Parliament and European Council.

Ingredients: water, colour (titanium dioxide E171), thickener (xanthan gum E415), preservative (sodium benzoate E211), acid (citric acid E330), flavouring.

Characteristics: At rest, ingredients of the product may become separated: above the dark liquid colouring, below the insoluble shimmering gold coloured granules. After shaking up it becomes a transparent-shimmering gold sparkling liquid. Vanilla fragrance, sour taste.

Storage: away from light.

Contains no genetically modified material or allergens.

Expiry date: 2 years from production.

Suitable for vegetarians and vegans. Gluten free. HALAL-certified product.

The product was manufactured in a food producing factory that runs a properly established system corresponding to the 852/2004/EK decree for food hygiene of the European Parliament and Council.

The product is destined to produce foodstuff, not meant for direct consumption.

Usage has to comply with the prescriptions Nr. 1333/2008/EK of the European Parliament and Council, along with the strict observance of specified limits.

According to Regulation (EU) No 1169/2011 of the European Parliament and of the Council on the provision of food information to consumers, a product is considered to be a food additive and thus exempt from nutrition labeling.

Csomor, 17.11.2020.
