Tariff number: 32041900

Place of production:  
2141, Csömör, Erkel Ferenc utca 26/A/1. HUNGARY

Country of Origin: Hungary

I hereby certify as manufacturer, that this product corresponds to the operative food safety regulation of the European Union.

Food colouring agents and additives used in this product correspond to the 1333/2008/EK directives about food additives of the European Parliament and European Council.

Ingredients: water, colour (titanium dioxide E171, allura red AC E129\*, carmoisine E122\*, brilliant blue FCF E133, quinoline yellow E104\*, sunset yellow FCF E110\*), thickener (xanthan gum E415), preservative (sodium benzoate E211), acid (citric acid E330), flavouring.

Characteristics: At rest, ingredients of the product may become separated: above the dark liquid colouring, below the insoluble silver coloured granules. After shaking up it becomes a black-silver sparkling liquid. Vanilla fragrance, sour taste.

Storage: protected from light.

**Contains no genetically modified material or allergens.**  
**Suitable for vegetarians and vegans. Gluten free. HALAL-certified product.**

Expiry date: 2 years from production.

The product was manufactured in a food producing factory that runs a properly established system corresponding to the 852/2004/EK decree for food hygiene of the European Parliament and Council.

**The product is destined to produce foodstuff, not meant for direct consumption. Usage has to comply with the prescriptions Nr. 1333/2008/EK of the European Parliament and Council, along with the strict observance of specified limits.**

According to Regulation (EU) No 1169/2011 of the European Parliament and of the Council on the provision of food information to consumers, a product is considered to be a food additive and thus exempt from nutrition labeling.

Ration assistance: the product contains 3,8% colouring agent.

The product can be used in the following quantities with a maximum of 1000g, with no other component, in accordance with all the limit values in Regulation (EC) No 1333/2008 of the European Parliament and the Council: Fillings in the use environment: 7,94 (g), Decorations and coatings in the use environment: 8,89 (g). Other use environments result in other limits.

Product warnings:  
Shake well before use!  
Do not inhale!

The product contains titanium dioxide E171, so according to Commission Regulation (EU) 2022/63, Regulation II of the European Parliament and Council Regulation 1333/2008/EC. and III. as a supplement to its annex, after August 7, 2022, it cannot be used for the production of food.

If using it, on the packaging of the finished good the following caution must be marked:

\*May have an adverse effect on activity and attention in children.

Csömör, 4.04.2024.
